

## PAE RANGE I MOSQUITO KILLER LAMP

**JB** SERIES

**3** YEARS  
WARRANTY  
**TOTAL**  
QUALITY COMMITMENT

### How to get rid of **mosquitos**?

Get rid of annoying insects thanks to the Emelson mosquito killer lamp with LED UV light. It can easily trap flying insects in an effective, safe and silent way. Perfect for supermarkets, department stores, bars and restaurants.

#### **Efficient and powerful**

Equipped with up to 38W high intensity ultraviolet LED light, effectively attracting mosquitoes, flies, moths and other flying insects

#### **Safe**

Quiet, chemical-free, odourless, completely safe for children and pets and environmentally friendly.

#### **Wide coverage**

Up to 150m. It is the ideal choice for covering large areas such as restaurants and supermarkets, as well as outdoors.

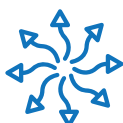

#### **Easy to clean**

It is very easy to clean, thanks to the removable tray at the bottom of the lamp.

#### **Durable**

Made of ABS and aluminium, rigid and durable materials.

#### **Versatile design**

Versatile and modern design that adapts to all types of environments.

#### **Easy to use**

With a single switch, you enjoy an insect-free stay.

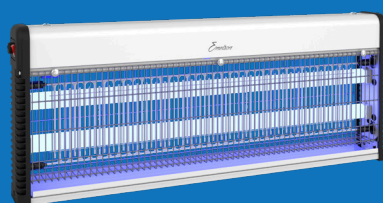

#### **Easy to transport**

Its compact design makes it easy to transport.
